VERY IMPORTANT NEWS !!!!!.NB!!!!!!

Good Day PRR Members,

As many of you are aware we were in the process of moving our club house to another location due to many factors such as bathroom facilities, parking and safety of the runners.

After getting input from club members and doing some planning, we found ways around all of these problems.

Also, the club has been at the same address for almost 9 years now, and a lot of our memories and traditions are built around our current club house. A lot of the members have invested a lot of blood, sweat and tears into our club house, especial the earlier members.

Therefor we will stay at our current club house and will not be moving anymore.

There are great things to come, we are going to breath some fresh air into the club house with some new exciting chances.....

1. We will be getting our own BAR inside the club house!
2. The starting point has moved to the other side of bowling club at the Voortrekker street entrance. This is for the safety of the runners and away from the traffic of the soccer players.

3. Parking for club members will only be at the Suid Street entrance from now on as our gate will not be opened for parking anymore. EFFECTIVE TODAY 21 FEB 2018.

4. The old parking at the club will also get a revamp, we want to put in a garden and a kids corner.

5. We will always have keys for the bathroom at the roll ball club.

This is all planned to happen in 2018.

And many more to come.

We hope that this finds joy with everyone.

Regards,

**Werner Potgieter
Club House Manager**
